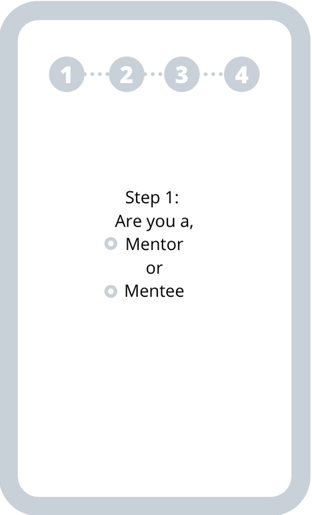
Mentee: Bryan Howell

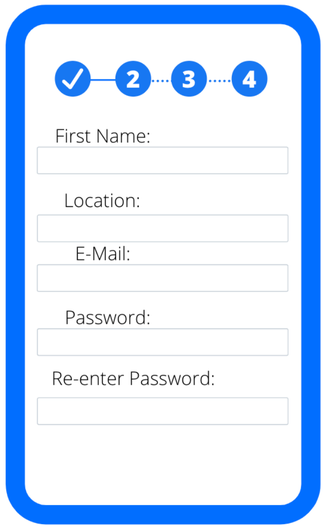
Story: Bryan is a 23 year old who needs to perform some minor maintenance on his car, but he wants to do it himself. Not knowing how to accomplish this Bryan wants to create a profile on mentor to see if there is anyone who could teach him how to do this task.

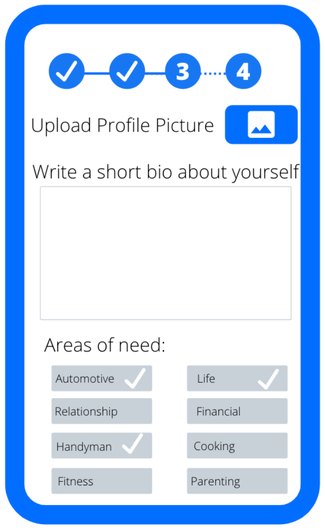
As a visitor when Bryan clicks on the sign-up button he expects to be taken to a form that will allow him to sign up by entering his information.

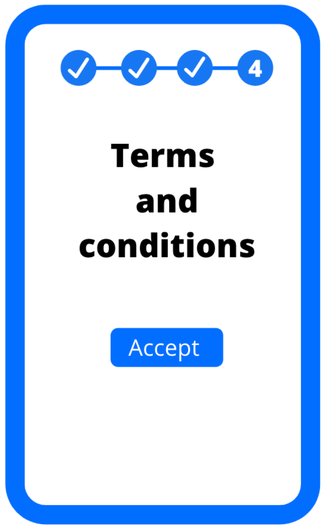


As a visitor signing up for an account Bryan will be asked to choose wether he is a mentor or a mentee. Bryan will pick the mentee option.

Bryan will then continue on to fill out the registration form where he will fill in his personal information, upload a profile picture, write a short bio, pick his areas of needs, and finally agree to the terms and conditions. Upon successfully signing up the Bryan will see an alert letting him know that his registration was a success.

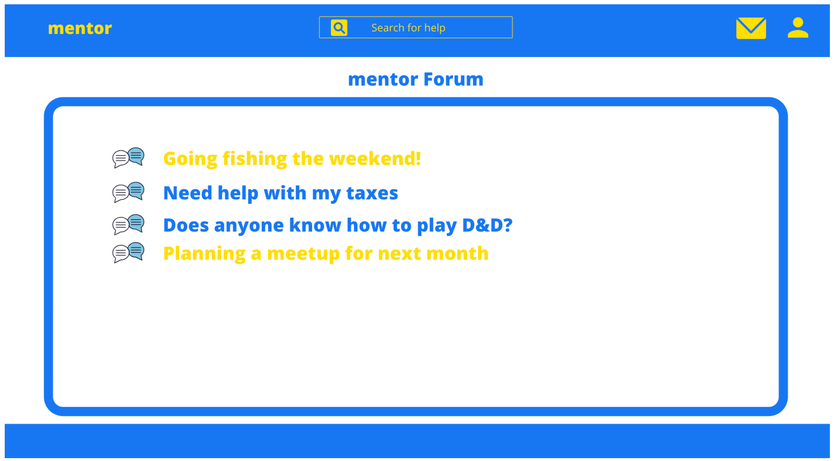


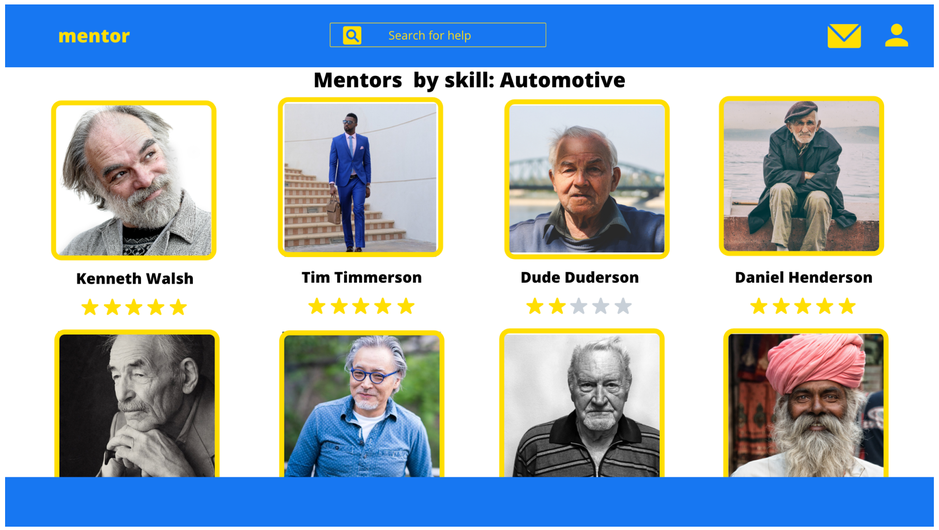




As a user Bryan will now be redirected to the main/forum page.

Bryan will now have the option to search for a mentor by location, name, or skill. Bryan will also be able to access his messages or his profile page.

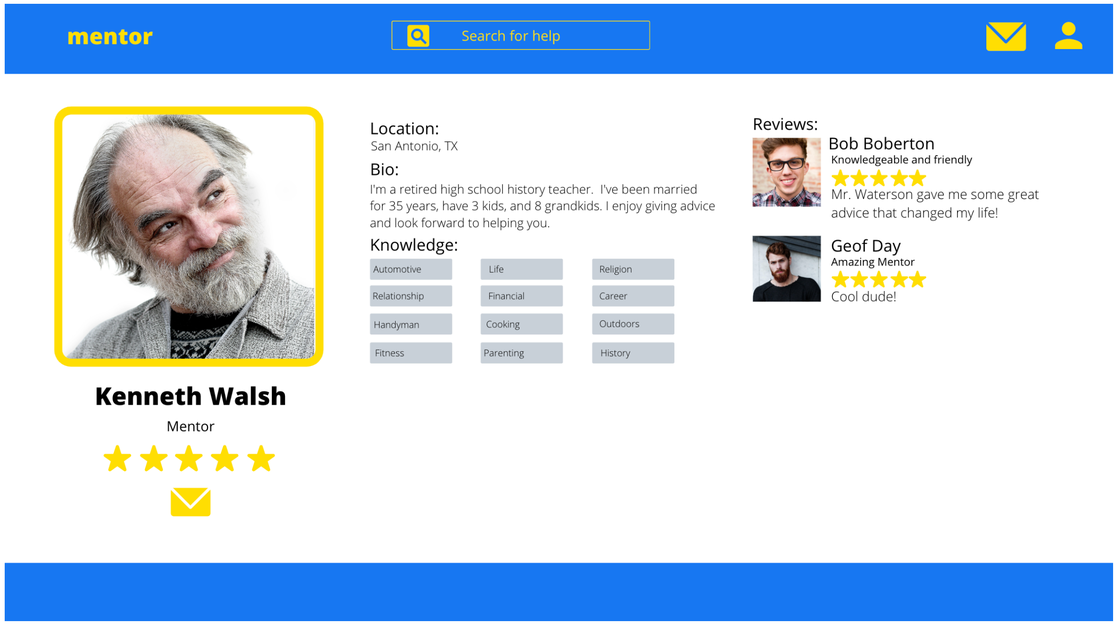


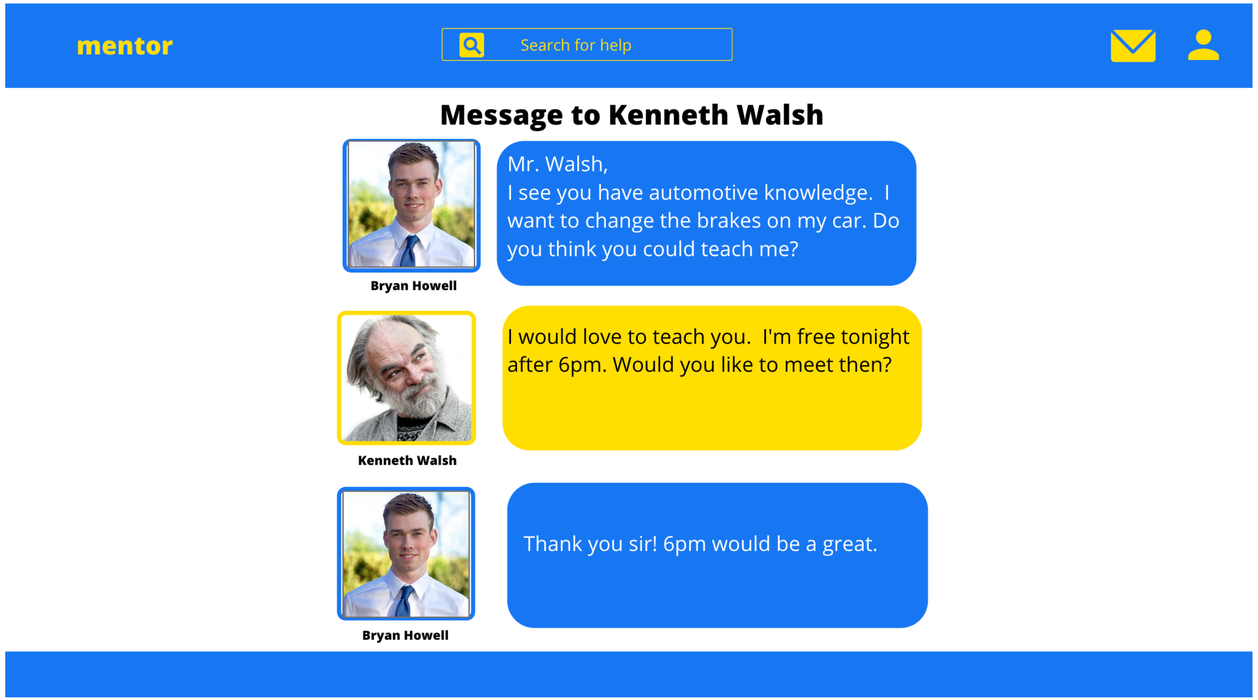


Because Bryan needs a mentor with automotive knowledge, Bryan will use the search function to help him find the right mentor. As a user when Bryan searches for a mentor he will expect to see the mentors profile picture and star rating, so that he can determine the right mentor for his needs.

Once Bryan has found the mentor that he would like to contact, Bryan will click on the mentors profile picture.
As a user clicking on the mentors profile picture Bryan expects to be taken to the mentors profile page where Bryan will be able to view the mentors ratings and message the mentor.

Bryan has chosen to pick Kenneth Walsh as his mentor.
Bryan see's that Kenneth not only has Automotive knowledge, but also has a five star rating.
After using Kenneth as a mentor Bryan will be able to leave a review of Kenneth for other users to see.
Bryan will now click the message button to contact Kenneth.
As a user Bryan expects to be taken to a message page where he can send a message to Kenneth.





Bryan has now started a conversation with Kenneth and is now on the way to receiving the help that he needs.

To ensure Bryan will have quick access to Kenneth if he needs to get advice again, Bryan can add Kenneth to his contacts.
